### **Program Details:**

The “New/Beginner Junior” program costs **\$100 + tax**, and involves the following:

- Available to children from age 5 to 16.
- Five (5) vouchers for a hot dog and drink (i.e. pop, water or juice).
- The ability to play golf with other “new/beginner juniors”, as well as an adult member of Brightwood, on Monday evenings after 6:00pm and Saturday afternoons after 4:00pm (as part of Junior Day). When the juniors arrive at the course they will be placed into groups and assigned an adult member (e.g. club professional, junior committee member, volunteer) who will act as each group’s guide.
- Access to junior clubs – if required. These clubs will be provided by Brightwood, and will be shared amongst the “new/beginner juniors” while on the course.
- Access to different clinic options in the July and August timeframe.
- Ability to take part in several activities throughout the year – including the Junior Opening, the Junior Closing, the Junior/Senior tournament, etc. We will provide email updates; however, you can also check [www.brightwood.ns.ca](http://www.brightwood.ns.ca) for dates (select Golf → Junior Golf).

Should a New/Beginner Junior exhibit the ability and maturity to graduate from the program earlier than the present “full junior” age of 10 years old, a decision could be made - with input from the club professional and junior program director – to allow the individual to become a “full junior member”. Should this be the decision the new/beginner junior wants to make, the \$100.00 fee will be applied towards the full-playing junior membership.
